The Package may be purchased onboard within the first 48 hours of embarkation, prorated to remaining cruise days. Unless otherwise stated, all inclusions are per person based on double occupancy. Shore Excursion credits are calculated on the amount of sailing nights and available for usage upon the purchase of the Package. *Specialty dining is only valid for Prime C and Aqualina. The Package is not applicable to chartered cruises. For combination sailings, inclusions are treated as one continuous cruise. For back-to-back sailings, inclusions apply per segment and are not cumulative. Prices and offers are subject to availability and change without notice and may be withdrawn at any time. Unless otherwise noted, all amounts are in USD. All OBCs must be used by 10 p.m. on the last night of the cruise and cannot be converted to cash. Savings calculated on a 12-night cruise, based on the price of purchasing all Package components separately.
