SUMMER ITINERARIES

MORE THAN A CRUISE: NEW 2026 SUMMER EUROPE ITINERARIES

Set sail into a summer of discovery with Azamara Cruises' **new 2026 itineraries**—an invitation to explore the enchanting coasts of Europe like never before. With **62 brand-new, destination-immersive cruises**, including **14 Grand Voyages**, each journey is a chapter in a story of adventure and discovery, showcasing the diverse cultures and hidden treasures of Europe.

Our 2026 itineraries are more than just cruises; they are invitations to immerse yourself in the soul of Europe, to discover new places, and to create memories that will last a lifetime. Experience the rare and awe-inspiring spectacle of a solar eclipse on our **three Solar Eclipse Cruises**, designed to bring you closer to the wonders of the cosmos on the water. As the moon crosses the sun's path, our nimble ships will navigate to the prime viewing spot, ensuring you have an unobstructed, front-row seat to this celestial event. It's a moment of profound connection with the universe, made even more extraordinary by the intimacy and exclusivity of the experience on our small ships.

Be the first to explore these **new ports of call** and unveil hidden gems where **more time in port** gives you the luxury of exploring what you love at your own pace:

- ✦ Imagine waking to the first light of dawn in **Sarande, Albania**, where the crystal-clear waters of the Ionian Sea embrace a town rich with ancient secrets. Wander through the ruins of Butrint, a UNESCO World Heritage Site, where the remnants of ancient Greek, Roman, and Byzantine civilizations unveil the rich historical legacy of the region.
- ✦ Step into a living history book in **Fredericia, Denmark**, as you traverse the town's 17th-century walls. Immerse yourself in Danish cuisine by sampling artisanal beers at a local brewery, or delight in the flavors of smørrebrød, an open-faced sandwich elevated to an art form.
- ✦ Drift through serene waters in **Turku, Finland**, at the Turku Archipelago, a stunning maze of over 20,000 islands, and relish a meal of freshly caught fish and seasonal berries.

This is more than a cruise—it's a journey that transforms and captivates at every turn. Stay tuned for Azamara Pursuit's deployment and an exciting new destination you can visit in 2026.
