The Partnership

Since 2011, PerryGolf has partnered with Azamara Cruises® - the #1 cruise line for longer stays and more overnights in port - to offer golf cruises using their fleet of intimate-style ships that are large enough to offer luxury accommodation for fewer than 700 guests along with fine dining, spa and entertainment, yet nimble enough to navigate smaller harbors for premium docking space. We do the heavy lifting, and all details are thoughtfully arranged in advance for the delivery of a seamless vacation.

Our portfolio of golf cruises visits 23 countries, and features more than 70 different golf courses, 20 of which are ranked among the World's Top 100.

"We love PerryGolf. They take excellent care of us. We love Azamara with Perry. It's the perfect fit. Smaller ship and more intimate travel. We like the lesser traveled ports as they are less "crazed" with tourists. Calm and without incident travel – thank you!!!"

Mediterranean Islands Golf Cruise**

A Back-2-Back Voyage

The only thing better than a PerryGolf + Azamara Cruise is another immediately following. Play more marquee golf, see more of the world in the comfort and convenience of the same ship, and enjoy additional savings.

We offer several opportunities each year, including as many as 8 consecutive voyages. Golfers do not have to participate in the golf program on each voyage.

Remember, the cancellation fee outside 365 days is only \$125pp.
