

AMERICAN WINE SCHOOL®  
 WSET® LEVEL 1 AWARD IN WINES

# A NEW WAY TO EXPERIENCE WINE AT SEA

THE GLOBAL LEADER IN  
 DESTINATION IMMERSION

Miami, FL, U.S.

Give your clients the opportunity to expand their wine knowledge while sailing with Azamara Cruises. Offered in partnership with American Wine School®, the WSET® Level 1 Award in Wines at sea is more than a wine course—it is an engaging first step into the world of wine and a distinctive enrichment experience to enjoy during their cruise.

Ideal for beginners and wine enthusiasts alike, the course helps guests build confidence in exploring, tasting, and selecting wines. Led by American Wine School founder Marianne Frantz, the program combines essential wine knowledge with tutored tastings and interactive lessons in a relaxed setting at sea.

Guests will discover major wine styles and grape varieties while learning the fundamentals of wine service, storage, and food pairing. At the end of the cruise, they can take the official WSET® Level 1 exam on board and earn an internationally recognized certification—a memorable takeaway for any wine lover.

At \$275 per guest, the certification course offers savings of approximately 20–30% compared to similar land-based WSET® Level 1 programs, while giving guests the rare opportunity to earn their certification in a relaxed and inspiring setting at sea. Seating is limited to the first 24 guests.
