- **With the Premier Golf Cruise package, can I get a cart at each golf course?** *Most courses will include a shared motorized golf cart, but note that many courses in The UK and Ireland traditionally do not allow carts, so walking will be required and noted in advance. Where carts are not available, caddies will be included where applicable. Note: some cruises will have an alternate golf package available at golf courses that can guarantee carts.*

- **Are caddies included in my Premier Golf package?** *Caddies will be included at courses where carts are not provided. Standard fee and tip will be included, although you can always provide an additional gratuity to the caddie if warranted.*

- **Is lunch included?** *Yes each golf day will included a clubhouse or box lunch including soft drinks, beer and wine.*
