

AZAMARA CRUISE'S UPGRADE PROGRAM

HOW IT WORKS

In just a few steps, you can submit an offer to upgrade your stateroom on your upcoming cruise.

TWO WAYS TO BID

Via an email from Azamara Cruises announcing that your sail date is open for bidding (with a direct link to the bid form).

By visiting:
www.azamara.com/booked-guests/azamara-upgrades
at any time to submit your bid.

Browse through the stateroom options below and select the amount you're willing to pay for an upgrade to each. Making offers on multiple rooms will increase your chances of getting upgraded, but you'll only ever pay for one upgrade.

Enter your payment information to submit your bid. If your offer is successful, you'll be placed in a stateroom within the upgrade type and charged for the upgrade. If your offer is not successful, you will not be charged, and keep the stateroom you have. We'll notify you via email if your bid has been successful and your upgrade has been charged.

Offers are priced per stateroom for the entire duration of the cruise.

Warm & Attentive Service

Azamara Cruises® reserves the right to not accept any offer regardless of the offer amount or stateroom availability. Availability of upgrades is limited and is made at the sole discretion of Azamara Cruises®. Azamara Cruises® reserves the right to accept any offer from the time it is submitted to the departure date and time. Offers are priced per stateroom. Credit card details are required to validate your upgrade offer and we will only charge your credit card if your offer is successful. Once your bid is accepted and successful, the upgrade amount paid is final and non-refundable. The upgrade does not include any additional promotions. Current promotions on the reservation will not be altered. Azamara Cruises® cannot guarantee a specific stateroom number assignment within the upgraded category. This includes, but is not limited to: accessible staterooms and those with varying locations, those with partially obstructed views, and may have different bathroom configurations. Your stateroom number will depend on space availability and cannot be changed. ©2025 Azamara. Ships registered in Malta.
