WHY AZAMARA

Koper, Slovenia

Arrive at the doorstep of the world’s most hidden gems on an intimate-ship unlike any other. Our ships’ size, style and service all combine to deliver a truly unique experience. Dig deeper with specialized encounters that connect you to the people, traditions, natural wonders and cultural riches of each destination. Our carefully curated immersive itineraries feature Extended Destination Days, including late nights and overnights, allowing you to get an authentic taste of each place you visit.

Our global guests come to us for the ports we visit and the cultural connections we make, but they return to Azamara for the unforgettable hospitality. From anticipating your needs and knowing you by name to surprising you with the smallest attention to detail, exceeding your expectations is our greatest motivation. Our smaller ships are perfectly sized to cross oceans, sail into intimate rivers, cruise along scenic waterways and dock at locations bigger ships can’t reach. We’re all family here, so let us welcome you onboard and remind you to make yourself at home, relax and grab a drink on us. The world’s most compelling destinations are ready for your arrival.
