CRUISES

AZAMAZING EVENINGS

2025 - 2026

In 2026, we're expanding our hallmark **AzAmazing Evenings®** with **35 brand-new experiences** across the globe. Offered ashore on cruises of nine nights or longer, these complimentary events bring destinations to life after dark, creating unforgettable cultural moments in extraordinary settings.

Imagine your clients at an evening in **Hiroshima, Japan** at the Grand Prince Hotel, a venue of global significance during the G7 Summit, where a traditional sake-barrel opening marks the beginning of a night filled with kagura performances, mythical storytelling, and vibrant festival dances. Or imagine an exclusive evening inside **Gibraltar's** St. Michael's Cave, where more than a thousand candles illuminate soaring rock chambers as an 18-piece string ensemble create a moving performance that blends light, sound, and place into one unforgettable moment.

With 35 new AzAmazing Evenings debuting in 2026, every journey offers a deeper connection to the people, traditions, and soul of each destination—an experience found only with Azamara Cruises.
