

PACKING TIPS

We hope you are getting excited about your upcoming cruise with us. To ensure you have a smooth and enjoyable journey, we've put together some helpful packing tips. Here's everything you need to know:

- ✦ **PERSONAL PROPERTY:** Pack a reasonable amount of personal belongings and luggage to make your trip comfortable and convenient. We recommend limiting larger luggage to one or two pieces, allowing you to move around the ship with ease.
- ✦ **AIRLINE GUIDELINES:** Check with your airline regarding baggage allowances, weight limits, and size restrictions. Some airlines impose additional fees.
- ✦ **LAST NIGHT ESSENTIALS:** Don't forget to pack a small overnight bag for your last night at sea. Our staff will collect your luggage the night before you disembark. You can use this overnight bag to store your night clothes and toiletries.
- ✦ **LAUNDRY CONVENIENCE:** No need to overpack! Take advantage of our complimentary self-service laundry room, available to all guests. We provide detergent, so you can refresh your clothing during the voyage. For your convenience, we also offer personal laundry and dry-cleaning services at an additional charge.
- ✦ **BAG IDENTIFICATION:** Help us ensure the safekeeping of your belongings by labeling all your bags, including carry-ons, using our Azamara Cruises luggage tags. Make sure to fill them out and attach them before leaving home. [DOWNLOAD TAGS HERE](#)
- ✦ **INSURE YOUR BELONGINGS:** While we strive to create a secure environment, it's always a good idea to insure all your luggage and valuables. Azamara cannot be held responsible for loss or damage. Consider our Azamara Trip Protection by Allianz Protection for comprehensive coverage during your cruise vacation.
- ✦ **KEEP IMPORTANT DOCUMENTS HANDY:** Pack your ticket, boarding card, and other necessary documents in a bag that you can easily carry with you throughout your journey.
